YOUR  
EVENT AT  
**BRASSERIE  
TERMINUS  
NORD**

## PRESENTATION

A subtle blend of Art Nouveau and Art Deco near Gare du Nord, this brasserie has been inviting you to enter Paris through the gourmets' door since 1925. Businessmen on their way to London, MEPs back from Brussels, families, everyone meets each other at the Terminus Nord.

Near the station, the Terminus Nord welcomes you every day for a snack on the go between two trains, for lunch or dinner, around a beautiful seafood platter or a piece of beef.

# FRENCH CUISINE

The Brasserie Terminus Nord is the perfect place to share a seafood platter or drink a coffee on the terrace while waiting for your train.

Come discover or rediscover its traditional French cuisine. The products are fresh and seasonal, and the dishes varied and of quality.

The choice is there with our typical brasserie dishes such as Sauerkraut with meat or fish, French onion soup, Steak with pepper ...

The Chef declines his recipes according to the seasons: at breakfast, lunch, or dinner ...

Group menus may also be available for your events.
